Disclaimer

This Kosher list is for information purposes only. Chabad of Iceland does not take responsibility for the Kashrut of the products. Every product bearing a Kosher symbol is under the responsibility of that particular Kashrut organization.

Instructions

Items which have "carries a kosher symbol" in the notes have a kosher symbol printed on the package. All other items have been researched by Rabbi Feldman and are kosher without a printed kosher symbol.

Some products may be Cholov Akum, Bishul Akum and Pas Akum. *Please read the notes near each product carefully.*

If a product is Kosher, it does not mean that other products of the same company are Kosher.

If a product has a Kosher symbol, it does not mean that the same product without the symbol is Kosher.

All products are Kosher year round but not for Pesach.

If you find a Kosher product not mentioned here, please contact us so that we can include it.

Supermarkets

Supermarkets *Hagkaup*, *Kronan*, *Bonus* and *Netto* each carry some of these products. Visit jewishiceland.com/supermarkets for locations around the country.
